## UNDERSTANDING THE TIMES COLLEGE CREDIT OVERVIEW

Since Bryan College is fully accredited, credits easily transfer to most schools.\* Upon successfully completing the requirements, the grade and credit will be issued on an official Bryan College transcript. The first transcript is free; each additional transcript is \$5. To request additional transcripts please contact Bryan's Registrar's Office at 423.775.7236.

*\*Note: Each institution is the sole determiner of credit acceptance; it is therefore recommended that you check with the Registrar of your chosen college before you apply for credit.*

**Each student's college credit grade will be determined solely by his/her scores on the tests and final exam.** While the assigned reading, research paper, and responsive essays (for three credit students) are required, points gained from these elements will NOT be counted for purposes of the transcript grade. This is to ensure that all students are graded equally, while allowing for individual learning environments.

If a student fails to make the minimum grade (C or 70%), then the credit will be counted as NC or "no credit" (rather than F) on the student's permanent college record. Tuition fees already submitted cannot be refunded in this case. Grading scale (used to determine final grade):

93–100% = A	87–89% = B+	80–82% = B-	73–76% = C	69% or below = NC
90–92% = A-	83–86% = B	77–79% = C+	70–72% = C-	

Titled "Understanding the Times," this course is transcribed as Philosophy (PHIL) 112. There are two options to this credit program; each student's choice is *determined solely by the syllabus he/she uses*. These options are mutually exclusive, and changes regarding credit details cannot be made after the application is submitted.
