

Earn College Credit for your Worldview Studies

BRYAN COLLEGE has partnered with SUMMIT MINISTRIES to offer college credit at a **reduced cost** to students enrolled in the fourth edition "Understanding the Times" course.

Since Bryan College is accredited, credits easily transfer to most schools.* Upon successfully completing the requirements, your grade and credit will be issued on an official Bryan College transcript. You can request in writing (signature required) that your transcript be sent to the institution(s) of your choice. The first transcript is free; each additional transcript is \$5.

*Each institution is the sole determiner of credit acceptance; it is therefore recommended that you check with the registrar of your chosen college before you apply for credit.

Bryan College (Dayton, TN) is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate and baccalaureate degrees; the Tennessee State Board of Education for teacher education and licensure; the Association of Christian Schools International for teacher education and certification; and the Immigration and Naturalization Service for the education of foreign students.

NOTE: ONLY STUDENTS USING THE REVISED 4TH EDITION OF "UNDERSTANDING THE TIMES" ARE ELIGIBLE TO RECEIVE CREDIT.

Titled "Contemporary Worldviews," this course can be transcribed as Bible 112, Philosophy 112, or Social Sciences 112. There are two options to this credit program; each student's choice is **determined solely by the syllabus he/she uses**. These options are mutually exclusive, and changes regarding credit details cannot be made after the application is submitted.

Each student's college credit grade will be determined solely by his/her scores on the tests and final exam. While the assigned reading, research paper, and responsive essays (for three credit students) are required, points gained from these elements will NOT be counted for purposes of the transcript grade. This is to ensure that all students are graded equally, while allowing for individual learning environments.

If a student fails to make the minimum grade (C, or 70%), then the credit will be counted as NC or "no credit" (rather than F) on the student's permanent college record. Tuition fees already submitted cannot be refunded in this case. This is one reason the registration deadline is in the spring - by that point in the course, students should be confident that they can pass.

Grading scale (used to determine final grade):

96-100% = A	87-89% = B+	80-82% = B-	73-76% = C	69% or below = NC
90-95% = A-	83-86% = B	77-79% = C+	70-72% = C-
